Jonathan Busby Back On Aruba

Aruba's athlete Jonathan Busby is back on his native island. Busby became world famous when during the track and field championship at Doha , Qatar, he collapsed in the final 200 meters of the 5000 meters qualifying games. In this case he was helped by Braima Suncar Dabo form Guinea -Bissau. This help was seen as a great example of Sportsmanship.

Monday , October 7, 2019, Jonathan Busby, about 9 PM, he arrived at the Aruban Airport VIP Room, where he was well received, by his coach, fans, and two Parliament Members.As a matter affact, today at 10 AM, he will meet with his coach to continue his trainings . This with the mind set on the following track of field championships. "Thumbs Up",

Jonathan, and Thank You for the positive world wide exposure of our island Aruba. "Keep it Up". And a word of thanks goes to Braima Suncar Dabo for helping our countryman. We really appreciate it.
